## ATEASY LICENSE TYPE REPLACEMENT FOR ATEASY SUBSCRIBERS

**ATEasy®**

Test Executive And Development Studio

### DESCRIPTION

Replace the type of your ATEasy license from XX to YY. Use KP (LPT), KU (USB), NL (Network), or SL (Software) for XX and YY.

Specify the ATEasy Serial Number or Product ID when placing the order.

Upon receive of order, Marvin Test Solutions will generate a RMA to return the current license or terminate it (for Software or Network).

Serial number being replaced must have a current ATEasy subscription.

For example:

ATEasy-KP/KU will replace the LPT license with a USB license.
