

The collage features a variety of military and aerospace imagery. It includes several fighter jets, including F-35s and F-16s, in flight. There are also images of tanks, armored vehicles, and a missile launcher. The Marvin Group logo is prominently displayed on the side of a large white building. The collage is arranged in a grid-like pattern, with images of fighter jets, tanks, and armored vehicles. The Marvin Group logo is visible on several buildings. The collage is set against a dark background with a glowing horizon line.
